

## Prayers of Intercession

Almighty God, aware that there is so much in our world today which needs your transforming love, we trust that you will hear our heartfelt prayers, even when we can't find the words to express them.

Many of us feel unsettled as we witness news reports and images recently. We see influential people involved in scandal and wrongdoing and we don't know whom to trust. We see the powerful running rough-shod over the most vulnerable in society and we don't know how to stand against them. We see international disunity, division and conflict and we wonder what will happen next. Take pity on us, Lord, and strengthen those who work for peace, for reconciliation, for compassion and for truth.

Ever-present God, **may we witness the transforming light of your love.**

We bring before you all victims of those who abuse or have abused their position of power in any way. May their voices be heard and wrongs righted. And we ask that you will fill all those in leadership with wisdom and a desire truly to follow your way with integrity.

Ever-present God, **may we witness the transforming light of your love.**

Loving God, with poverty levels in this country at just over one in five and food price inflation at almost 5%, we think of those affected by the increasing poverty in our communities and those who struggle to make ends meet. We remember those who struggle to get employment because of disability or ill health, criminal records, unpaid caring roles, homelessness, or due to discrimination. We pray for those facing redundancy or the collapse of their workplace. Bring them hope and relief from anxiety; enable those who can offer them practical and emotional support; and open up ways to change their circumstances. We pray that the most vulnerable will be prioritised in political decision making at all levels and that those with economic influence might promote a more equitable distribution of resources.

Ever-present God, **may we witness the transforming light of your love.**

God of those who mourn, we pray for those who struggle with illness of body, mind or spirit and for those who care for them, whether as professionals or as those who love them. Bring comfort and healing, patience and endurance into those lives. We pray for insight and clarity for those who work to find new ways of improving life for those who suffer or struggle in any way. We ask your blessing on those known to us who are in any kind of trouble.

Ever-present God, **may we witness the transforming light of your love.**

God of the everyday, we pray for our community, our church, our friends and families, and for ourselves. You alone know the thoughts of our hearts and the concerns we carry; the deepest need of those around us, spoken and unspoken. Where there is need, Lord, bring your transforming love. and help us to serve, not for our own wellbeing, reputation and gratification but in your name. **Amen.**

### Other Information

**Church income** was £261.80, which comprises collections, Standing Orders paid directly into the Church account, plus other donations received over the last week.

**Community Outreach Pastor update** – It was wonderful to see so many new and familiar faces at our first "Hope Explored" session. With 10 people gathered around the table, the atmosphere was warm and the discussions were truly encouraging.

As we look toward Part 2 on **Saturday, Feb 21st**, we want to keep that momentum going! Our church is full of wonderful friendships, and this is the perfect 'plus-one' environment to share that community with others. If you know someone who is looking for a bit of hope or has questions about faith, why not invite them to come along with you? Prayerfully think who you can bring along. Please RSVP to me for pizza numbers."

I also met with Sanctuary Housing this week and gave them an update on how Lego Club is going. They were pleased with how it is going and look forward to an end of year review of the club.

My assembly at Rochford Primary School went well, the children enjoyed hearing about the concluding part of the story of Joseph.

We had a section meeting with Rayleigh this week, it was good to hear about the work that they are doing. Thanks, Mike Webb

**Collect** – God of life and light, you Son was revealed in majesty before he suffered death on the cross. Give us grace to perceive his glory, that we may be strengthened to follow him and be changed into his likeness, from glory to glory; who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen.

**Our Elderly Friends** - Please remember – Shirley, Sylvia, Pat, Gwen and Maureen.

**Notices Distribution by Email** – Whilst the email list I use to send out the notices does not change each week, I am aware that some people do not always receive theirs. Whilst they may disappear into the ether, on the odd occasion, you can always pick the latest version on the church website. I put the email link at the beginning of each week's issue, and you can always pick them up from [here](#).
